It's not all nature trails and country walks; charming Duston is a short stroll away too, hosting a number of great pubs and eateries. A little further afield, you have Northampton town centre and Milton Keynes, both boasting an array of shopping and restaurants. In this exclusive community, set in stunning surroundings, it's easy to feel spoilt for choice.

Hunsbury Grange. A place to belong.

Every part of the
home has a story.

We regard the people who make our homes as Thoughtful Creators, and they carefully consider every element, right down to the materials we choose and the suppliers we trust. We work with architects, designers and stylists to retain craftsmanship at the heart of everything we do; inside and out, all judged against two criteria – looks and longevity.

It means you can surround yourself with style in the knowledge that your home will continue to look beautiful for years to come.

Exacting standards, as standard.

The unmistakable excellence of a Shelbourne home is evident everywhere you look, and our attention to detail results in a quality that you'll discover over and over again. A specification that is a cut above comes as standard, with fixtures and fittings from world-renowned brands.

Siemens appliances, plus Franke granite sinks and designer taps are eye-catching kitchen features, while we just love the concealed two-way thermostatic showers with Raindance Head by VADO.

But many find that it's the little touches – like chrome towel rails or traditional panelling – that go a long way to making their home well beyond the ordinary.
